

KNOB MOUNTING INSTRUCTION FOR LOCK No. 924 "MIC"

Set the lock in locked position by turning inside the square a screw driver etc. Insert the door knob into the lockbody taking care that the square end stays upwards. Insert the pin and press the spring loaded pin inside the square. While doing so press the knob forward into the square. As the door knob move forward, remove the pin and continue pushing till the door knob clicks into the square (when the spring loaded pin in the square anchor into the knob axis).
